

Dear community member,

We are pleased to announce an exciting new addition at the Claflin Rec building! A new indoor space has been designed to encourage young minds to develop and flourish with activities specifically designed for elementary school age children and younger.

The Claflin Discovery Center will be open to all families with young children and at no cost.

Please consider donating to this exciting new addition as all proceeds will go towards renovation supplies, sensory toys, books, and other educational materials.

Please feel free to contact us at claflindiscoverycenter@gmail.com with any questions or comments. Donations in the form of cash or check (checks payable to Claflin Rec with "Claflin Discovery Center" in the memo) can be dropped off at the Rec office during office hours, or in the locked drop box located in the hallway. We greatly appreciate your support!

Sincerely,

The Claflin Discovery Center Committee
